

## YOU OWN THIS - A SCHOLARSHIP

As a practice, A Gap Away, supports and facilitates student empowerment through the gap year planning experience. Principal Coach, Sandy Storer, is particularly enthusiastic about supporting students who are self-funding their gap experiences. To that end, AGA offers an annual merit-based scholarship opportunity for a student who demonstrates the drive and determination to make their gap year happen without familial financial support.

The grantee will receive complimentary coaching services at every stage through the A Gap Away service model.

This opportunity is open to all current high school seniors, however individuals from communities less represented in the gap year experience (BIPOC, lower income) are strongly encouraged to apply.
